# 2014 Heritage Beach Volleyball Tournaments

Get involved, whether you're an experienced player or beginner. At each tournament we run two events in parallel for different abilities:

**The Not So Pro Volleyball Cup** - up to six friends / colleagues who want to enjoy themselves and have little or no experience of volleyball.

The main aim is to have fun, and there are prizes for the team with the best fancy dress and the best spirit, as well as for the winners (there is an element of competition)

**The In It To Win It Volleyball Cup** - up to six seasoned league/beach players who know the game and want slightly more competition. The emphasis will still be on fun, but players should have some experience.

Tournaments played at The Gunsite, Beaumont. Start at 8:45am, finish around 4pm. Cost: £10 per person per event, including lunch.

Free coaching and practice nets at The Gunsite every Thursday from 6pm (weather permitting). Your team can practice there at any time.

If you don't have a team and have never played, come one Thursday - you will soon be involved. Park at Goose on Green Car park (which gets busy) and bring towels and sun cream

Players cannot join more than one team per tournament and must be 16 years old or over and compete at their own risk (the JVA must have permission from the parent or guardian for anyone aged 15 or under who wants to play).
